**Subject: Active surveillance & reporting of suspected unexpected adverse event after use of MONOFILAMENT SYNTHETIC ABSORBABLE SKIN SUPPORT AND FILLING THREAD STERILE**

Respected Sir,

With reference to email received on 7<sup>th</sup> march 2023 from NCC-MvPI, IPC (National co-ordination centre- materiovigilance programme of India, Indian Pharmacopoeia commission), I want to inform you that it has received a serious adverse event report of atypical mycobacterial infection associated with the use of Monofilament Synthetic Absorbable skin support and Filling Thread Sterile.

So please report any adverse event related to above material to AMC centre, pharmacology department, MGM Medical College, Jamshedpur. But this should be highly confidential and should not be shared with any party / vendor.

Thanking you

*Vinita Kumari*
